

The NEW ScaleUPCheckUP Web-based Assessment Benchmarks Your Risk Readiness.

ScaleUPCheckUP - *a revolutionary online foundational health checkup for growing businesses in - provides a first step in helping business leaders rapidly identify areas of vulnerability, and cost-effective options with a skilled team that's aligned and missioned to solve your financial, legal and risk management challenges – collaboratively.*

Boca Raton, Florida, October 24, 2018 - Having a scalable business means that your company's legal structure, compliance initiatives, and risk management posture are proactively optimized and harmonized - setting a solid foundation for growth. **ScaleUP** Enterprises offers an innovative approach to solving business risk challenges for growing organizations. This approach begins with the **ScaleUPCheckup** web assessment tool - recently featured on **Inc.Com** in **"The 5 Biggest Mistakes Every New Entrepreneur Makes When Launching a Startup."**

According to Lauren Cohen, Esq., Founder of **ScaleUPCheckUP**, *"Over time, we have consistently observed the challenges and consequences faced by growing businesses that haven't planned adequately against risk – and a gap in the availability of affordable services that address risk comprehensively. **ScaleUP** Enterprises offers the solution. Our expertise spans years of experience providing legal and business consulting, assisting companies with risk exposures which hadn't been fully anticipated in earlier stages of business operation."*

About **ScaleUPCheckUP**: The newly-launched [**ScaleUPCheckUP**](#) web assessment offers an easy starting point for benchmarking risk readiness. Within **5 minutes**, this web assessment tool will deliver an indexed score of your **ScaleUP** readiness, based on a set of codified intelligence and know-how.

ScaleUPCheckUP delivers through **ScaleUP Ambassador Network**, a VIP professional resource network comprised of professionals spanning business legal and financial areas of expertise. Ambassadors oversee and coordinate the strategic network and vendors relationships, ensuring that client members are receiving coordinated, quality services from the **right** professionals at the **right** prices and on the **right** timeline. **ScaleUP**'s complementary goals are to **"Bulletproof Your Business"** and **"Get it Done – Right"**!
